

Joe Wilson's 2023 Agenda

Create Jobs, Promote Conservative Solutions, Fight for Economic Security, Safeguard our Military

Create Jobs and Economic Growth

Work with local chambers and agencies to bring jobs to South Carolina

Protect South Carolina's "Right to Work" laws

Continue to advocate for current and future missions at the Savannah River Site (SRS)

Promote tax cuts which successfully created record job growth

Prevent and eliminate burdensome regulations that destroy jobs

Promote Conservative Solutions

Support a Balanced Budget Amendment to the Constitution

Limit IRS overreach targeting families and businesses

Advocate for local school governance and school choice

Support police by opposing any defunding legislation

Advance innovative healthcare solutions, including telemedicine

Combat Inflation

Encourage domestic energy production and independence

Boost domestic manufacturing to help small businesses grow and create jobs

Protect the nation's supply chain

Promote fiscal responsibility by reducing government spending and frivolous programs

Defend Social Security and Medicare

Safeguard our Military and National Security

Secure borders from threats to citizens by terrorists and drugs

Protect TRICARE benefits and sustain the quality of life for military families and retirees

Ensure veterans receive quality healthcare

Promote benefits and support reforms to the VA system

Deter economic and military threats from Putin, the Chinese Communist Party, the Iranian regime, and other aggressors
